

Establishment of a representative office in the U.S.A

**We aim to expand sales of "Quality Master"
gauge for CMM in the USA**

Asanuma Giken Co., Ltd. (Headquarters: Shizuoka, Hamamatsu City, President: Susumu Asanuma) is aiming at expanding the sales of CMM verification gauge "Quality Master" and creating new business. And, we opened a representative office at Florence KY in the USA on May-21th, 2018. We will expand the volume of overseas businesses and develop new markets and customers. And, by establishing a new base in the USA, we will strengthen our overseas sales structure, and will work to further expand sales and create new business.
